

This is a quick reference list showing the exact part numbers used for Goodsky panel builder relays, sockets and modules. These products are normally available from stock, held in the UK.

Prices 01/09/2005 in £Sterling. Prices can be changed without notice.

EMI & EZ Series Low Profile Relays For Use With Sockets

Price

A range of 8A/12A/16A single pole and two pole relays, with sockets, modules and clips ordered separately. Ideal interface relays, used where enclosure space is at a premium. Standard coils 12VDC/24VDC/24VAC/115VAC/230VAC. Other coil voltages are available.

EMI-SS-112D Single pole change over 12A rated contacts 12VDC - 5 Pin
 EMI-SS-124D Single pole change over 12A rated contacts 24VDC - 5 Pin
 EMI-SS-124A Single pole change over 12A rated contacts 24VAC - 5 Pin
 EMI-SS-1115A Single pole change over 12A rated contacts 115VAC - 5 Pin
 EMI-SS-1230A Single pole change over 12A rated contacts 230VAC - 5 Pin

PI-35BE Standard socket. Choose LED protection modules to plug in to this socket if required.
 This 5 pin socket mounts directly onto DIN rail. Use with a quick ejection clip.

£1.64

PI-35BE/3 Safe separation socket (coil terminals on one side, c/o terminals on the other). Choose LED protection modules to plug into this socket if required.
 This 5 pin socket mounts directly onto DIN rail. Use with a quick ejection clip.

£1.69

BS-16P Quick ejection clip for above sockets.

Included with sockets

EMI-SS-212D Double pole change over 8A rated contacts 12VDC - 8 Pin
 EMI-SS-224D Double pole change over 8A rated contacts 24VDC - 8 Pin
 EMI-SS-224A Double pole change over 8A rated contacts 24VAC - 8 Pin
 EMI-SS-2115A Double pole change over 8A rated contacts 115VAC - 8 Pin
 EMI-SS-2230A Double pole change over 8A rated contacts 230VAC - 8 Pin

PI-50BE Standard socket. Choose LED protection modules to plug in to this socket if required.
 This 8 pin socket mounts directly onto DIN rail. Use with a quick ejection clip.

£1.79

PI-50BE/3 Safe separation socket (coil terminals on one side, c/o terminals on the other). Choose LED protection modules to plug into this socket.
 This 8 pin socket mounts directly onto DIN rail. Use with a quick ejection clip.

£1.84

BS-16P Quick ejection clip for above sockets.

Included with sockets

LM Series Modules for EMI & EZ Series Relay Sockets

Plug in coil indicator (LED or neon) and protection (diode or varistor) modules which fit into the sockets PI35BE and BE3, PI50BE and BE3, PYF14BE and BE3. These are particularly popular with the EMI and EZ low profile relays. Fit module into socket, then lock into place with the relay and secure with the quick ejection clip.

LM-AB Protection diode 6/230 VDC +A1
 LM-FO Protection diode, LED & varistor 6/24 VAC/DC +A1
 LM-FQ Protection diode, LED & varistor 110/230 VAC/DC +A1
 LM-GR Varistor 24VAC
 LM-GS Varistor 115VAC
 LM-GT Varistor 230VAC

RE Series Relays For Use With Sockets

The classic 14 pin panel builder relay. This robust 4 c/o product switches 30mA - 5A. Push to test, override locking lever and coil LED are standard. Coils 12VDC/24VDC/24VAC/115VAC/230VAC. Other coil voltages are available, please enquire.

RE-403ALTU 4 pole change over 5A rated contacts 24VAC with LED - 14 Pin
 RE-405ALTU 4 pole change over 5A rated contacts 115VAC with LED - 14 Pin
 RE-409ALTU 4 pole change over 5A rated contacts 230VAC with LED - 14 Pin
 RE-402DLTU 4 pole change over 5A rated contacts 12VDC with LED - 14 Pin
 RE-403DLTU 4 pole change over 5A rated contacts 24VDC with LED - 14 Pin

PYF-14BE Standard socket. Choose LED protection modules to plug in to this socket if required.
 This 14 pin socket mounts directly onto DIN rail.
 Use with a quick ejection clip.

£1.97

PYF-14BE/3 Safe separation socket (coil terminals on one side, c/o terminals on the other). Choose LED protection modules to plug into this socket if required.
 This 14 pin socket mounts directly onto DIN rail.
 Use with a quick ejection clip.

£2.06

BS-36P Quick ejection clip for above sockets

Included with sockets

LM Series Modules for RE Series Relay Sockets

Plug in coil indicator (LED or neon) and protection (diode or varistor) modules which fit into the sockets PI35BE and BE3, PI50BE and BE3, PYF14BE and BE3. These are particularly popular with the EMI and EZ low profile relays. Fit module into socket, then lock into place with the relay and secure with the quick ejection clip.

LM-AB Protection diode 6/230 VDC +A1
 LM-FO Protection diode, LED & varistor 6/24 VAC/DC +A1
 LM-FQ Protection diode, LED & varistor 110/230 VAC/DC +A1
 LM-GR Varistor 24VAC
 LM-GS Varistor 115VAC
 LM-GT Varistor 230VAC

RK Series Relays For Use With Sockets

8 pin and 11 pin (round pin or 'octal') 10A relays for 2 c/o or 3 c/o applications. Push to test, override locking lever and coil LED are standard. Coils 24VDC/24VAC/115VAC/230VAC. Other coil voltages are available, please enquire.

RK-203ALT 2 pole change over 10A rated contacts 24VAC with LED - 8 Pin
 RK-205ALT 2 pole change over 10A rated contacts 115VAC with LED - 8 Pin
 RK-208ALT 2 pole change over 10A rated contacts 230VAC with LED - 8 Pin
 RK-203DLT 2 pole change over 10A rated contacts 24VDC with LED - 8 Pin
 RK-303ALT 3 pole change over 10A rated contacts 24VAC with LED - 11 Pin
 RK-305ALT 3 pole change over 10A rated contacts 115VAC with LED - 11 Pin
 RK-308ALT 3 pole change over 10A rated contacts 230VAC with LED - 11 Pin
 RK-303DLT 3 pole change over 10A rated contacts 24VDC with LED - 11 Pin

PF-113BE Standard 11 pin base for RK-3 relays, modules are not supported.

£1.67

The relays specified in these 2 pages are normally available from stock held in the UK. For full technical details please download the relevant PDF which can be found on the www.goodsky.co.uk website, in the section marked panel builder relays. These relays are generally interchangeable with those of other manufacturers, although switching characteristics may vary. These Goodsky relays are UL and CSA approved. Sockets are CE marked. Colour of sockets and modules is black.
